

APRIL 2005 HOTSHEET

A Look at What's Happening...

During April, Transpire will be participating in the regional conferences for the North Central Region and the Pacific Southwest Region. For information on upcoming events, check in on the web: www.transpire.org/events.html

Plus, Transpire will begin providing assistance to organizations in the Texas Colonias through its administration of the National Affordable Housing Training Institute (NAHTI).

Finally, on April 1st Transpire's e-Procurement revenue sharing agreement with the North Central Region officially begins! This three year agreement will allow Transpire and NCRC to work together to promote the system in the region, and share in the rewards. The Pacific Northwest was the first region to sign on, and we look forward to a 3rd in 2005 !!!

Opportunities...

...abound!!! The Access Alliance, e-Procurement and NAHTI all provide opportunities where NAHRO members benefit.

Get involved today, and be part of Tomorrow!
