

DECEMBER 2005 HOTSHEET

A Look at What's Happening...

During December, the Transpire Board of Directors will be holding its retreat in Washington, DC.

Plus, we will be participating, through NAHRO's partnerships with LISC and Fannie Mae, in affordable housing development training in Baton Rouge and Ft. Lauderdale. These sessions are aimed at agencies that will be involved in post-Hurricane rebuilding efforts in those states. Additional sessions in Alabama, Mississippi and Texas are being scheduled.

Finally, we will be completing our work under our most recent grant from the Enterprise Foundation to provide technical assistance to agencies undertaking efforts to increase affordable housing.

Calendar of Events

5th-6th Affordable Housing
Development Training in Baton Rouge,
Louisiana

20th-21st Affordable Housing
Development Training in Florida.

Happy Holidays!

THANK YOU!

As we close out our first full year as Transpire, a special thank you to all of you who have supported our efforts over the last year.

We look forward to continuing to serve you in 2006!
