

JANUARY 2006 HOTSHEET

A Look at What's Happening...

During January, Transpire will continue to participate, through NAHRO's partnerships with LISC and Fannie Mae, in affordable housing development training and technical assistance in Hurricane impacted areas. These sessions are aimed at agencies that will be involved in post-Hurricane rebuilding efforts. Technical assistance will be provided in January, and additional training sessions in Alabama, Mississippi and Texas are being scheduled for February.

Plus, we will be providing technical assistance to an organization in the Colonias related to financial management.

Finally, we will be participating in NAHRO's Leadership Summit in Charleston, South Carolina.

Calendar of Events

5th-8th NAHRO Leadership Summit in Charleston, South Carolina

25th-27th Technical assistance delivery in Eagle Pass, Texas

30th Release of January/February e-Procurement Newsletter

Coming Soon???

Transpire is currently accepting requests to participate in regional and chapter conferences across the country in 2006.

We hope to see you soon at events in your area!
