

MARCH 2005 HOTSHEET

A Look at What's Happening...

During March, Transpire will be participating in the NAHRO Legislative Conference, where it will hold a Board meeting and an e-Procurement training session. Transpire will also be finalizing its participation at Regional and Chapter conferences during the coming months. For information on upcoming events, check in on the web: www.transpire.org/events.html

Plus, a new quarterly newsletter for and about NAHRO's MSC members will premiere, and will be included as part of the e-Procurement newsletter.

Finally, e-Procurement has released its upgraded Marketplace, available to all NAHRO members looking for vendors interested in working with them—an online yellow pages for agencies! Just go to www.nahro.economicengine.com and click on the blue login button in the upper left hand corner. Enter your email address and use the password "abc".

Opportunities...

Transpire continues to administer funding from the Enterprise Foundation to assist the nonprofit partners and subsidiaries of NAHRO's members. This funding will end in the coming months, so please refer your partners for assistance as quickly as possible. This assistance is free!
