

MARCH 2006 HOTSHEET

A Look at What's Happening...

During March, Transpire will be holding its first Board meeting of 2006 in Washington, DC in conjunction with NAHRO's Legislative Conference.

Plus, we will be participating, through NAHRO's partnerships with LISC and Fannie Mae, in affordable housing development training in Jackson, Mississippi. This session is aimed at agencies that will be involved in post-Hurricane rebuilding efforts.

Finally, we will be continuing to accept requests to participate in upcoming Regional and Chapter conferences! Contact Dionne Roberts at droberts@nahro.org for additional information.
