

# May 2007 HOTSHEET

## A Look at What's Happening...

**In May**, Transpire will be continuing our Spring Conference Swing, including attending the Organization for the Advancement of Technology in Housing Authorities conference. See below for this month's dates and locations.

**Plus**, we will be holding a focus group with four housing authorities that will be receiving technical assistance through the Weed & Seed program.

**Finally**, we will be releasing a new and enhanced version of the e-Procurement cd on how to get started on the system. Look for it at conferences, or request one by emailing [droberts@nahro.org](mailto:droberts@nahro.org)
